ENGINEERS

# XIII

International Scientific Conference  
«Monitoring of Geological Processes and  
Ecological Condition of the Environment»  
12-15 November 2019, Kyiv, Ukraine

## FIRST ANNOUNCEMENT

ESI "Institute of Geology" of Taras Shevchenko National University of Kyiv with the support of the European Association of Geoscientists and Engineers (EAGE) organizes a conference dedicated to monitoring of natural hazards, which include both geological hazards, and study the geological factors that can lead to environmental disasters. The conference will include new approaches of using geological and geophysical methods for natural and man-made processes assessment, as well as ecological analysis of territories.

Objective of this event is to facilitate exchange of valuable scientific experience, integration of different sectors of research, and improvement of interagency and international cooperation.

**During the conference a tour to the Chernobyl zone will be organized.**

### **IMPORTANT DATES**

**1 April – 15 September** – Call for papers

**30 September** – notification about the Programme to the Authors

**12 November** – registration and accommodation of participants

**13–15 November** – Conference

### **VENUE**

Institute of continuing education  
Taras Shevchenko National University of Kyiv  
*Kyiv, Vasylykivska st., 36.*

### **PRESENTATIONS**

15 minutes are allocated for presentation (oral or poster) and 5 minutes for discussion. The main working language of the conference -English. Section rooms will be equipped with projectors. Posters will be placed on 1x1 m display.

### **THE CONFERENCE IS SUPPORTED BY**

S.I. Subbotin Institute of geophysics of NAS of Ukraine  
Kiev Institute of Engineer Survey and Research «Energoproekt»  
All-Ukrainian Association of Geoinformatics  
Ukrainian association of Geologists  
KAI Group  
GeoUnit Company  
Suchasna Geofizyka Company

### **TOPICS OF THE CONFERENCE**

- Radioecology and problems of radioactive waste disposal
- Modern technologies of geophysical monitoring
- Monitoring and modelling of natural hazards and new technologies for risk minimization and prevention
- Geophysics in engineering geology, soil science, archaeology

### **PROGRAMME COMMITTEE**

*L.V. Huberskyi* – Taras Shevchenko National University of Kyiv;  
*S.A. Vyzhva* - ESI "Institute of Geology" of Taras Shevchenko National University of Kyiv;  
*G. Apostolopoulos* - National Technical University of Athens;  
*Oliver Curas* – British Geological Survey;  
*M.A. Yakymchuk* – All-Ukrainian Association of Geoinformatics, EAGE Kyiv Local Chapter;  
*O.M. Ivanik* - ESI "Institute of Geology" of Taras Shevchenko National University of Kyiv;  
*A.G. Aronov* –The Centre for geophysical monitoring NAS of Belarus;  
*S.I. Kyreyev* – SSE «Ecocenter»;  
*Wei Wu* - Institute of Geotechnical Engineering, University of Natural Resources and Life Sciences;  
*P.O. Zahorodniuk* – Ukrainian Association of Geologists;  
*V.I. Starostenko* – Institute of Geophysics (IGP) of the National Academy of Sciences of Ukraine;  
*V.Yu. Maksymchuk* – Carpathian Department, Institute of Geophysics (IGP) of the National Academy of Sciences of Ukraine;  
*S.V. Hoshovskyi* - Ukrainian State Institute of Geological Prospecting;  
*O.V. Kendzera* - Institute of Geophysics (IGP) of the National Academy of Sciences of Ukraine.

### **CALL FOR PAPERS**

Please visit the Conference website
