

AGREEMENT
on research and educational cooperation
between
Institute of Geophysics, Polish Academy of Sciences
and
Taras Shevchenko National University of Kyiv, Ukraine

Institute of Geophysics, Polish Academy of Sciences represented by the Director, Professor Paweł M. Rowiński and Taras Shevchenko National University of Kyiv, Ukraine, represented by the Rector, Professor Volodymyr Bugrov, hereinafter referred to as the "Parties", agree to sign the following Agreement on research and educational cooperation, basing on their scientific interest and productive relations.

Article 1

The Parties, according to their Statutes and in the frameworks of the existing opportunities, shall develop the cooperation in different spheres of scientific and educational life on the basis of equality and mutual benefits, involving all members of the institutional community – scientists, lecturers, students, postgraduates and other researchers.

Article 2

The Parties shall organize the exchanges of methodological, literature and scientific materials, information, scientific plans and programs.

Article 3

The Parties shall organize joint researches on the mutually agreed subjects, perform field and laboratory experiments, provide joint data treating, analyzing and interpretation, exchange of scientists, applied specialist in geology and geophysics, develop and support contacts.

The Parties shall inform each other about scientific events, prepare joint publications, grants applications and take part in international conferences, events, and exhibitions.

Article 4

This agreement does not exclude other types of cooperation which can be proposed for discussion by any Party. These types can also be supplemented or amended on the mutual written consent of both Parties. The amendments to this Agreement can take place only with the notice of the participants of this cooperation.

Article 5

To implement the provisions of this Agreement the Parties shall draw and approve Working cooperation programs and agreements where the specific forms, scientific topics, terms and quotas of cooperation and also conditions of its organization and financing will be stated.

Article 6

This Agreement comes into effect on the day of its signing by the authorized representatives of both Parties and is valid for five (5) years or until one of the Parties expresses desire in written form to terminate it. The agreement is considered automatically extended for the next term unless the parties express a desire to terminate it.
